

Ioana Engstrom Joins RIEtech Global As VP Business Development

Joins Team To Enhance Customer Responsiveness & Create Global Partnerships

Albuquerque, NM – January 22, 2010 RIEtech Global today that Ioana Engstrom will join RIEtech Global as Vice President – Business Development. She will be responsible for enhancing relationships with new and current customers, launch RIEtech’s emerging business sectors and building strategic alliances, worldwide.

Since immigrating to the United States from Romania at 21 Ioana has built her career based on entrepreneurship, service and trusted relationships, worldwide. Using mutual goodwill, Ioana has created a large global network of prominent business and political leaders who, working as individuals or team groups, are able to foster innovation and growth for companies in emerging industries.

Prior to joining RIEtech Global Engstrom was VP - Global Beverage Market for MIOX Corporation. There she grew sales 25% per year and won MIOX certification by Coca-Cola Corp. for its 900 worldwide bottlers.

As COO for Figaro Systems she produced \$4M in hi-tech video system sales in venues like La Scala, Opera Colorado’s Elli Caulkins Opera House and the Oslo Opera.

Ioana founded Permacharge Corp. and took the company from tech transfer startup to successful global sales and exit in 5 years.

Ioana has served as a Board member for numerous service organizations. Among them: the White House Conference on Small Business, the New Futures Foundation and the Technology Industry Association.

Engstrom has a BA , magna cum laude, Political Science/Asian Studies, University of New Mexico and an MBA, Marketing/International Management, University of New Mexico.

About RIEtech Global
